Here is an updated version of the \$domain website which many of our East European book traders and customers have been using for some time now, more or less regularly. We have just introduced several new upgrades and changes which should be interesting for you. Please remember that our website is not intended to replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of our customers. Some are still at preparatory stage and will be implemented soon.
