Katana review 1: My opinion of 'Katana' by Cole Gibsen was overall, I decent book. I liked the characters, the plot was interesting enough, and I enjoyed the blend of 'Slice-of-Life' and 'Action Hero' story types, as it is similar to one of my favorite video game series.

Cole Gibsen took me on a roller coaster with the first book in this series, *Katana*, and now she's done it again with *Senshi*. Magic, lost love, and ninja- lots and lots of ninja. Reincarnation rolls out a few more hiccups and alliances are broken and reformed as our samurai try to make sense of the increased attacks on Raleigh.

Well, I think what makes Katana different is that Whitley is really no competition when he is up against the kind of love that lasts for centuries, literally!
