11 Best Riding Lawn Mowers Reviewed (Dec. 2021)

Kohler for example had issues with its early models of the Courage engine, the single cylinder model in particular. Kawasaki had inexplicable problems with some of the early models of the water cooled FD series. Toro, while I don ' t recall a problematic engine from them, their 300 Series Z-Master was a problematic mower.

I know I will have to be careful when mowing the lawn because you can really create divots if you turn fast. Also the fabricated deck uses 18-1/4 " blades vs the 18-1/2 " blades on the stamped decks. The 18-1/4 " blades are hard to find, but I still would have given the Z254F mower 5 stars except for the following problems.
