Generating a vision for your company means thinking about the future, where you want to be, looking at ways to challenge the market or transform a sector. A vision may be grand and large-scale, or may be as simple as offering an existing product in a completely new way, or even changing the emphasis of your business from one core area to another.

Lifebook Online Review: Don't buy until you read this (2022)

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as 'an electronic version of a printed book', some e-books exist without a printed equivalent.

(PDF) The Characteristics of Quality Leadership

The British Overseas Aircraft Corporation introduced the first commercial jet service in 1952. The 36-seat Comet flew at 480 miles per hour. The top cruising speed of the DC-3 piston aircraft, in comparison, was about 180 miles per hour. By the mid-1950s, U.S. companies began designing and building their own jet airliners.
