(PDF) History of Africa by Kevin Shillington | Kaitlyn ...

Kevin Shillington The Encyclopedia of African History contains around 1,000 entries covering the widest practicable range of topics in African history. It covers the whole continent of Africa--not just sub-Saharan--from earliest times to the present.

A History of Southern Africa by Kevin Shillington

Kevin Shillington The study of African history came of age in the 1960s, coinciding with the emergence of many newly-independent modern African states. Professional historians working in the universities and archives of Africa, Europe and north America have over the past thirty years, produced millions of words and hundreds of volumes on various aspects of the history of Africa.
