subheading | Definition from the
Newspapers, printing ...

Subheadings serve to summarize your article by breaking it up into readable sections. The content below each subhead is distinct yet there is a natural flow from one subhead to the next. This allows for the person that's scanning to get a quick and easy guide to see what's going on with your article and if of interest, to stop, look and read.

Kids Newspaper Articles With Subheadings

The article heading is telling readers that they can expect money-saving tips. From the subheadings above, the second one—Why Saving is Important—doesn't fit in with this idea, so it should not be there. If you want to add a bit of background to the article, you could place this in the introduction.
