Henry Kissinger's "On China" - The Washington Post

Henry Kissinger on China. The Soviet Union and its empire collapsed. And the United States, feeling supreme, began promoting democracy with missionary zeal even as it grew dangerously addicted to foreign oil, goods and credit. The radical shift in the balance of power turned China and the United States into mutually dependent economic giants,...

On China by Henry Kissinger - Goodreads

On China. Kissinger, one of the most famous diplomats of the 20th century, is well known for the role he played in Sino-American relations during the Nixon administration and in particular the 1972 Nixon visit to China. Thus, his book focuses on Chinese history through the lens of foreign policy considerations, and in particular his own brand...

On China by Henry Kissinger: 9780143121312 ...

In On China, Kissinger describes what he calls the "triangulation" between China, the US, and the USSR. Kissinger tells us that Chinese leaders, starting with Mao Zedong, skillfully played the Americans and Russians off against each other, bolstering China's relatively weak position and enabling it to behave as a third Superpower.

Kissinger, in Beijing, warns US-China trade war could ...

Former U.S. Secretary of State Henry Kissinger said the U.S. and China were in the "foothills of a Cold War," and warned

that the conflict could be worse than World War I if left to run ...

On China (Audiobook) by Henry Kissinger | Audible.com

Kissinger infuses his text with impressive personal recollections based on more than 50 visits to China over 40 years, working either officially as national security adviser and secretary of state, or unofficially as a foreign policy expert. In that time, he has seen China's evolution through four generations of its leaders.

Kissinger On China

In *On China*, Kissinger describes what he calls the "triangulation" between China, the US, and the USSR. Kissinger tells us that Chinese leaders, starting with Mao Zedong, skillfully played the Americans and Russians off against each other, bolstering China's relatively weak position and enabling it to behave as a third Superpower. This account is the most significant element in *On China*, though Kissinger gives us more.

Henry Kissinger - Wikipedia

Kissinger, who as President Nixon's secretary of state flew to Beijing to begin trade talks with Communist China in 1971, gave his take on modern U.S.-Chinese relations at the Bloomberg New ...

On China - Wikipedia

Henry A. Kissinger's fascinating, shrewd and sometimes perverse new book, "*On China*," tries to show how the history of China has shaped its foreign policy and attitudes toward the West.

'On China,' by Henry Kissinger - Review - The New York Times

"Nobody living can claim greater credit than Mr. Kissinger for America's 1971 opening to Beijing, after more than two decades of estrangement, and for China's subsequent opening to the world. So it's fitting that Mr. Kissinger has now written *On China*, a fluent, fascinating ...book that is part history, part memoir and above all an examination of the premises, methods and aims of Chinese foreign policy."

On China - Kindle edition by Henry Kissinger. Politics ...

Henry Kissinger with Zhou Enlai and Mao Zedong, Beijing, February 1973. It is hard to fit Henry Kissinger's latest book, *On China*, into any conventional frame or genre. Partly that is because the somewhat self-deprecatory title conceals what is, in fact, an ambitious goal: to make sense of China's diplomacy and foreign policies across two and a half millennia, and to bring China's past full circle in order to illuminate the present.

Kissinger in Beijing: U.S. and China Trade, Cold War Could ...

Kissinger displays a palpable sympathy for his subject. He is a scholar-official, and China is a civilization of scholar-officials.

Book Review - On China - By Henry Kissinger - The New York ...

On China by Henry Kissinger – review. This is all the more remarkable since Kissinger's realpolitik also profoundly shaped American relations with Europe, the Middle East, and south-east Asia. Yet at four decades' distance, it is the approach to China in 1971 and 1972 that stands out as the historically crucial moment.

On China - Henry Kissinger - Google Books

In On China, statesman Henry Kissinger draws on historical records and 40 years of direct interaction with four generations of Chinese leaders to analyze the link between China's ancient past and its present day trajectory.

On China by Henry Kissinger - review | Books | The Guardian

In On China, Henry Kissinger turns for the first time at book length to the country he has known intimately for decades and whose modern relations with the West he helped shape. Drawing on historical records as well as on his conversations with Chinese leaders over the past 40 years, Kissinger examines how China has approached diplomacy, strategy, and negotiation throughout its history and reflects on the consequences for the 21st-century world.

Kissinger Institute on China and the United States ...

While Kissinger's diplomacy led to economic and cultural exchanges between the two sides and the establishment of Liaison Offices in the Chinese and American capitals, with serious implications for Indochinese matters, full normalization of relations with the People's Republic of China would not occur until 1979, because the Watergate scandal overshadowed the latter years of the Nixon presidency and because the United States continued to recognize the Republic of China on Taiwan.

On China Free Summary by Henry Kissinger

Kissinger infuses his text with impressive personal recollections based on more than 50 visits to China over 40 years, working either officially as national security adviser and secretary of state,...

Kissinger and China | by Jonathan D. Spence | The New York ...

On China Quotes. "In his essay, 'Perpetual Peace,' the philosopher, Immanuel Kant, argued that perpetual peace would eventually come to the world in one of two ways, by human insight or by conflicts and catastrophes of a magnitude that left humanity no other choice. We are at such a juncture." — Henry Kissinger , On China.
