Knight of a Trillion Stars is the first book in the 'Matrix of Destiny' Series by Dara Joy. As the book begins, our heroine, Deana Jones, is having a super rough day. She loses her job, sits in (what may be) urine on the train ride home, gets caught in a traffic jam-- which leads her into a junk shop where she buys strange piece of jewelry-- to finally make it home and find an alien chillin' in her house.

Would you recommend Knight of a Trillion Stars to your friends? Why or why not? I would recommend this book mainly because the author had a sense of humor and she kept you laughing when you think that a book like this should not. The comedy saved this for me. Have you listened to any of Rebecca Cook's other performances before?
