Rationale. The free-rider problem is often cited as the rationale for union security agreements. A classic study of the free rider problem is presented in Mancur Olson's 1965 work, The Logic of Collective Action. In labor relations, the free rider problem exists because the costs of organizing a union and negotiating a contract with the employer can be very high, and because employers will ...

Union security agreement - Wikipedia  
The United States home front during World War II supported the war effort in many ways, including a wide range of volunteer efforts and submitting to government-managed rationing and price controls. There was a general feeling of agreement that the sacrifices were for the national good during the war. The labor market changed radically.
