Review of the Day: Laika by Nick Abadzis — @fuseeight A ...

Nick Abadzis' LAIKA is a fictionalized account of the short life and sad death of Laika, the Soviet space dog. Be forewarned: it's a three-handkerchief, bucket-of-tears kind of novel. Laika's story is one of loyalty and trust repaid with callous abandonment and deception, and the injustice of this tale resonates deeply.

Abadzis went freelance in 1988 when his career as a cartoonist took off in the pages of legendary UK comics and music magazine Deadline. Here he created two of his best-known characters, Hugo Tate, a stick-man lost in a figuratively drawn world, and the shapeshifting Mr. Pleebus, who later starred in his own series of children's books.

Laika (comics) - Wikipedia

In 2007, artist Nick Abadzis released a graphic novel called Laika, which tells the story of Laika's short, doomed life in a way which hits the reader right in the heart. The story is told through three perspectives: Soviet scientist Sergei Korolev, dog handler Yelena Dubrovsky, and Laika herself. The part which really affected me about the book was how I felt like I was in the dog's brain while reading the section from her perspective.

Nick Abadzis (Author of Laika) - Goodreads

" Abadzis's tear-inducing and solidly researched graphic novel treatment of Laika's surpassingly tragic story is a standout, not just for its sympathetic point of view but for its refusal to Disnify or anthropomorphize the undeniably cute dog at its heart... Although the tightly packed and vividly inked panels of Abadzis's art tell an impressively complex tale... where the dog becomes a pawn in larger political and bureaucratic scheming, Laika's palpable spirit is what readers will ...
