Western Landscape Art Prints | Fine Art America

Landscape was an established genre in the eastern art tradition by 4th century AD, but in the western art world, landscape painting as an independent genre began only after the era of Renaissance art.Prior to that, the scenery acted merely as a background for human activity.Netherlands was one of the first places in which landscape art became popular and the Dutch Golden Age (spanning the 17th and 18th centuries) saw the genre flourish.

Landscape and Western Art - Malcolm Andrews, Professor of ...

The appreciation of nature for its own sake, and its choice as a specific subject for art, is a relatively recent phenomenon. Until the seventeenth century landscape was confined to the background of portraits or paintings dealing principally with religious, mythological or historical subjects (History painting).Today, landscape continues to be a major theme in art with many artists using it to explore the human condition.
