A Landscape with Dragons - Ignatius Press

One of Michael O'Brien's books, "A Landscape with Dragons: The Battle for Your Child's Mind," has prompted me to approach our inventory of children's stories with a more critical eye. "Landscape" is a study on the shaping of a child's imagination. More than that, it's an exploration of how stories and their use of... (click the link below to view the full essay by Laurel Good)
