Launch - Jeff Walker - Animated Book Summary

MicroSummary: "Launch" is a book focused on the individual entrepreneur who wants to start his business in the digital product market with few features or change the way his current business is going, to empower them. As Jeff Walker himself points out, the book is not a guide for anyone who wants to set up technology or software startups, but for a person who has mastered an area of ...

On the next page, you'll see the VERY BIG PICTURE of the Product Launch Blueprint. We actually had to shrink it way down to fit it all on one page. In fact, we had to shrink it so much that you're not going to be able to read much of it. We just did that so you could truly get the "big picture"... but don't worry -
