Law of the United Kingdom - Wikipedia

Scots law. Scots law is the legal system of Scotland. It is a hybrid or mixed legal system containing civil law and common law elements, that traces its roots to a number of different historical sources. Together with English law and Northern Irish law, it is one of the three legal systems of the United Kingdom.

Scotland

After the Acts of Union, in 1707 English law became one of two legal systems in different parts of the same united kingdom and has been influenced by Scots law, most notably in the development and integration of the law merchant by Lord Mansfield and in time the development of the law of negligence. Scottish influence may have influenced the abolition of the forms of action in the nineteenth century and extensive procedural reforms in the twentieth.

Week 1: Law making in Scotland - OpenLearn - Open ...

The earliest form of Scottish law can be dated back to the 12th century when different cultural groups lived in the country. The Gaels, Anglo Saxons and Britons were the inhabitants of the region when the law was set into place. Methods that were imposed in the 12th century are methods that form the legal system in Scotland that is running today.
