Blooregard "Bloo" Q. Kazoo is an Imaginary Friend created by Mac in Foster's Home for Imaginary Friends. He was voiced by Keith Ferguson. Mac created Bloo when he was 3 years old, meaning that, by the start of the series, they had been creator and creation for five years. According to a trading card in the Foster's Home for Imaginary Friends Leapster game, Mac created him when he had to give ...

C64 Direct-to-TV - Wikipedia

The RCA Studio II is a home video game console made by RCA that debuted in January 1977. The graphics of Studio II games were black and white and resembled those of earlier Pong consoles and their clones. The Studio II also did not have joysticks or similar game controllers but instead used two ten-button keypads that were built into the console itself. The console was capable of making simple ...
