The IAME KA100 is a 100cc air cooled Reedjet engine specifically designed for Karting Australia, and is intended to be taken to the world market by IAME. The bottom end of the engine has the robustness of a 125cc engine while the cylinder and head are made to 100cc specification, providing a relatively unstressed and reliable power plant.

The X30 has been designed with the specific aim to provide Karting drivers with an innovative yet faithful to tradition engine. The IAME X30 offers modern features, such as the electric starter, the balancer shaft and the water cooling, yet preserving traditional Karting engines aspects, such as the diaphragm carburettor and no power valve.
