Review: Levels of Life, By Julian Barnes. In 2008, Julian Barnes's wife, Pat Kavanagh, was diagnosed with a brain tumour. She died just 37 days later. They had been together for 30 years. The pain suffered by the private and devoted Barnes is unimaginable. He did not write about it immediately.

Julian Barnes: Levels of Life, review - Telegraph
In Levels of Life, Julian Barnes creates an extended metaphor between the trials of hot-air ballooning and the experience of love found and lost. In one example he writes: Grief is vertical ¶ and vertiginous ¶ while mourning is horizontal. Grief makes your stomach turn, snatches the breath from you, cuts off the blood supply to the brain ...

Julian Barnes: Levels of Life
Julian Barnes is a highly respected novelist and essayist who wrote "Levels of Life" after his wife, Pat Kavanagh, died after nearly 30 years of marriage. This is not a typical book about grief. In fact, much of it does not look like it deals with grief at all, which is where the genius comes in. Barnes splits his short book into three sections.
