4-Way Switch Wire Colors There is no standard for wire colors on 3 and 4-way switch travelers. The colors will vary depending on whether NM cable or conduit was used. With NM cable, the wire colors for travelers will be black and red using 3-wire cable. With conduit, the wire colors for travelers could be any color.

Switches - Tagged "3 Way Toggle" - Leviton

There are 4 wires coming into it. They are the travelers. It's the 4-way (i.e. middle switch). I believe 2 carry control signals and 2 carry current. In a normal 4-way, it's fine. But for the smart Leviton to work, I need a neutral in there. I was thinking a neutral is just a neutral.
