LG BD670 review: LG BD670 - CNET

LG has played second fiddle to Panasonic, Samsung, and Sony for far too many years, but with the BD670 Blu-ray 3D player, they come to the party packing some substantial steel. While not inexpensive, the player delivers excellent Blu-ray and Blu-ray 3D playback, and is one of the best media streaming devices available today.

LG BD670 Blu-ray 3D Player Review: The Rodney Dangerfield ...

The LG BD670 player is great but it will not update wirelessly. The one good thing about the Samsung player is it never had any problems with wireless firmware updates - it was always able to download the updates. For firmware updates I have to download the update from the LG website and put it into a Jump Drive in order to update the firmware.
