LG Electronics - Window Air Conditioners - Air ...
In August 2016, I bought the LW6016R 6K BTU AC - "Recommended" based on it being in the top recommended window unit reviews of Consumer Reports. Although the unit cools well and the price was reasonable, the LG's compressor is much louder than the new Fridgidaire 6K BTU window unit I bought for another bedroom this summer (2017).

LG Window Air Conditioner - Installation (2018 Update)
This accordion filler kit, also known as side curtains, is a genuine OEM replacement part for your window air conditioning unit. This part fills the space around your air conditioner to make it fit the window frame. The side curtains can become worn over time, no longer providing a snug fit for the air conditioner.

LG LW1816ER : 18,000 BTU Window Air Conditioner | LG USA
Unplug the unit for at least 30 seconds. Use a timer if necessary. Note: If the unit was not unplugged for at lest 30 seconds, the unit's safety switch will prevent the compressor from turning on for 3 minutes. Plug the unit back in. Power the unit on. Adjust settings: COOL mode, lowest temperature, highest fan speed. Listen for the compressor, which may take up to 30 seconds to turn on.

LG Air Conditioner Troubleshooting
Although some of these problems a handy do-it-yourselfer can troubleshoot and fix, other repairs may require qualified professionals.After adding up the labor and parts costs, repairing a window unit may not be as economical as replacing it, especially if your unit is out of warranty or past its life expectancy, which is an average of 10 years.

LG Window Air Conditioners: Efficient Cooling Performance ...
Rated 4 out of 5 by HDMWHO from Good unit So far this air conditioner has functioned very well and I consider it to be slightly better than the previous unit which was also a LG product. The new unit has slightly higher noise and vibration levels, but it is also slightly larger and hopefully it will have the same long reliable life span of the previous LG window unit it has replaced.

Free LG Electronics Air Conditioner User Manuals ...
This window unit AC is in a 2nd floor, finished attic master bedroom & bath. Insulation isn't the best and there is definitely a heat load on hot summer days. The central HVAC won't cool this upstairs area and needs to be supplemented. This LG is very quiet for a window unit and is cooling the area nicely.
