A philosophy of librarianship is more serviceable than a science of librarianship (see Cossette's distinction in the first chapter) in providing a source of continuity regarding what librarianship is and what it is for. That continuity, and clear sense of identity and purpose that come from it, ...

Philosophy, Law, and Code of Ethics for Filipino Librarianship

My colleagues, my community, and my campus play intrinsic roles in manifesting my philosophy of librarianship. I should mention that this is a very specifically located philosophy, and I think it would be very difficult to translate this approach from smaller teaching-centered colleges to Research 1 or other institutional types.

(PDF) The Changing Philosophy of Librarianship: An Overview

Many librarians develop a personal philosophy or approach to their work. Some employers require librarians to create and communicate a formal philosophy of teaching or librarianship. At the same time, other librarians may have a strong personal philosophy that has never been written down. Still, others may simply be too busy to give it much ...

Philosophy of ...

I don't know if I can tell you exactly how to develop your personal philosophy of librarianship. Apart from learning as much as you can about the things that seem most important to you, and finding ways to work though these ideas in authentic contexts outside of the classroom, there's not really a step-by-step process for figuring it out.
