In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

***What your playbook shouldn't include. The
playbook is meant to be a resource for running
the business. If all the founders and managers
fly south to drink mojitos in a tiki bar for two
weeks (Hmmm, this gives me an idea...), the
playbook can be referenced by the rest of the
employees to help them operate the business in
our stead.***
