Power Stabilizing Jacks

The Lippert Components High-Speed Power Stabilizer Jack is a great option for your 2014 Forest River Cherokee Vengeance. The jacks you referenced all use the same system and motor, they just either don't have a switch or utilize a certain style switch for the motor. If you already have a switch, then # LC337199 is a great choice.

Jacks | Lippert Customer Support

Replaces the extend/retract switch and wiring harness for your Lippert electric stabilizer jack (LC363284). This lube plate allows your fifth-wheel trailer's king pin to slide easily into the hitch and prevents scratches on your skid plate. It also reduces irritating noises associated with fifth-wheel trailering.
