*9780321829177 - Literature for Composition: an ...
The new 8th edition of the MLA Handbook recommends that you break down your source information into its core elements, and arrange these according to a standard format that can be applied to any type of source. Think of your citation as having a number of small parts that are arranged to fit in a larger container, a container that has sometimes been placed into an even larger second container:*
