Major Themes in Death of a Salesman

A living will is a document that explains whether or not you want to be kept on life support if you become terminally ill and will die shortly without life support, or fall into a persistent vegetative state. It also addresses other important questions, detailing your preferences for tube feeding, artificial hydration, and pain medication in certain situations.

Each member of the Loman family is living in denial or perpetuating a cycle of denial for others. Willy Loman is incapable of accepting the fact that he is a mediocre salesman. Instead Willy strives for his version of the American dream — success and notoriety — even if he is forced to deny reality in order to achieve it.

Read Book Living With A Willy

Waylon Jennings Luckenbach Texas

It interweaves the protagonist Willy Loman's present (the late 1940s) with his memories of a happier past. Because of Willy's frail mind, the old salesman sometimes doesn't know if he is living in the realm of today or yesterday.
