Lodish is also a member of the National Academy of Sciences and the American Academy of Arts and Sciences and was President (2004)...

Lodish Molecular Cell Biology 7th

This book gives the average biology (or non-biology) student not only an overview of cell-biology, but gives in-depth information on nearly any subject regarding this matter. It is easy to read, starts with the basics before explaining complicated matters and it got the BEST illustrations I have ever seen in such a book!
