Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Wireless Mouse M305 | Logitech Gaming Software

I could no longer use the mouse to copy and paste. It would jump pages constantly when I clicked on links. The mouse had taken years of constant use and just a bit too much abuse, so it was time for a new one. Since my last Logitech M305 work so well, I decided to get another of the same model.
