Loncin 196cc (chinese) engine on a tiller? - Bob Is The ...

The truly smart person will just go buy the one Honda engine and run it for years. Others will buy a clone, then another, then another. Every interaction I have with these copy motors is a pain. Honda are the best small engine, in fact, almost the only small engine. Every other manufacturer makes muck that will die if it gets any hard work.

Loncin Engine reviews – Online shopping and reviews for ... Chinese Engines. Hi All, I'm wondering what experience people have of Chinese engines, both in motorbikes and as static engines in industrial, plant or agricultural machinery. There seems to be quite a few Chinese engines out there, such as Lifan, Kinlon, Shineray, Zongshen, but there seems to be hundreds of other names too. Then there are the copies / clones of Honda by companies like Loncin ...

Sometimes, it's better to replace your lawn mower's engine than it is to buy a completely new mower. Kohler, an American company known for sinks and bathtub fixtures, produces a number of push lawn mower engines. These engines are designed for residential use and have a variety of features that make them easy to operate [...]

some reports that Loncin has built engines for BMW motorcycle and Toro/Exmark. The Toro/Xmarks with this brand of engines seem to have no issues from what I have read so far. Any feedback would be most appreciated.

Weibang 21 in. 196cc 4 Stroke Loncin Engine Gas Steel Deck ... All had their own branded engines, and by the valve covers I could tell they weren't the usual Briggs or Kohlers, clearly some Chinese variant. I settled on a 196cc OHV model with that look of decent quality. Finally I found a plaque that read "Loncin Industrial."
