*'Simon May's Love is that rarest of achievements: scholarship as inspired illumination. Fluent, witty, humane, May explores Western concepts of love from the Torah to Romanticism and on to the "fascinating paradox" that the liberation of sex and marriage in our day coexists with retrograde, and at times destructive, notions of love.*

*When Nietzsche proclaimed God's death, he did not recognise the new divinity that had replaced Him - human love. God is dead; long live God. Simon May is not the first to say that love is our new religion, or to chart the history of changing concepts of love, but his is more than a history, and more than an analysis, of love; it is a polemic.*

*I am doing some research on love and to determine what a curriculum on love (learning to be mor loving) would look like. I decided to begin with Simon May's book because it is a history of love. The premise in the introduction is that we as a culture have moved from God is love to Love is God.*
