behzzad.files.wordpress.com

Luenberger does an incredible job of leaving significant holes in lessons. In addition to this, many of his examples contain seemingly obvious errors. I have no doubt that he is an intelligent man and expert in the field of Investment Science, but I confidently claim he is a terrible educator and author.

Solution Manual for Investment Science by David Luenberger ...
Investment Science is designed for the core theoretical finance course in quantitative investment and for those individuals interested in the current state of development in the field -- where essential ideas are, how they are represented, how they are represented, how they can be used in actual investment practice, and where the field might be headed in the future.
