instructions about how to program it. There were several different suggestions on-line, most of which did not work. A simple instruction sheet would have been helpful.

Napoleon Lynx Garage Door Opener Automatic Doorman garage door openers were made by Lynx in Montreal, Canada. Automatic Doorman garage door openers have been out of production from several decades. They used a V-belt instead of gear drive in the motor housing, which made for a quieter than normal opening and closing of the garage door.
