BMW M40 - Wikipedia

Hey there, new to this forum. Just picked myself up a 1990 BMW 318i with an m40B18 and as some of you probably know, not exactly the fastest car around. I was originally planning on rebuilding the engine with worked cams, high comp pistons, chipped ecu etc.

M40B16 and M40B18 | about M40 engines / bmw-e36.com

If you want more poke from your 318i without the drinking problems inherent of the bigger engines, then look no further than the M42 engine. This fizzy little four-banger features the same 1.8 litre displacement as the other E30 engines, but with double the valves (16 in all) to crank the power up to 140bhp.
