Machinery's Handbook ... Another book that did not get over the
hump, was "The American Machinists Handbook". The 1940
edition covers using ropes to sling parts, and the recipes for various
mixtures. After you browse or read these "out dated" volumes, there
are times when a solution to a problem pops up, out of nowhere.

Machinery's Handbook

Besides the complete 25th edition, this cd-rom also contains important material from earlier editions of machinery's handbook. Extensive cross-referencing between the cd-rom and handbook make them ideal complements and the combo specials a great value.
