Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

The Official Magento 2 User Guide | FireBear

If the specified company user has child users, the system re-assigns the child users to the parent of the deleted user. The user account is deleted from Magento with all of its content, except quotes and orders. The user's orders and quotes remain visible to the seller. Magento locks the deleted user's quotes and changes their status to Closed.

Magento User Guide
