Magicians End The Chaoswar Saga
It's hard to write a review of
Magician's End without going into a
bit of the entire Riftwar Saga. This
is not something I wish to do
because the saga contains 30
books, of which I have read 27. I
started reading the Riftwar books
as a teenager and even though I
took breaks, always came back to
the story to find out what happened
to Pug, Tomas, the conDoin family
and Jimmy's family.
