Owner's Manual – MAGURA HS

Back to the documentation: instead of writing a user manual for the hs22, magura gives you a manual to cover the hs11, hs22, and hs33 almost none of it seems to pertain to the hs22 directly. Videos on the brakes produced by magura are similar -- scant content on the brakes in German.

hydraulic brakes,double arch [MAGURA ASIA] e-bike brake ...

Magura HS22, HS33, etc...school me! Are the older Magura hydraulic rim brakes a decent alternative for a vintage build? I rode a friend's bike with a pair in the early 90's and thought they were amazing. I can't find a timeline on what models came out when, special versions like Race Tomac, etc. Are they worth the hassle?
