### **Make Space: How to Set the Stage for Creative ...**

Make your study space ergonomic. Don't slouch, keep your feet on the floor, position your screen at eye level (otherwise you'll wreck your neck), and type with your wrists in a neutral position. For an illustration of this, have a look at this graphic from Zapier. Keep your study space as clean (or messy) as you like. Some research suggests that messy spaces can be better for creative work, since they encourage unconventional thinking.
