Books | Scott Berkun

Making Things Happen doesn't cite specific methods, but focuses on philosophy and strategy. Unlike other project management books, Berkun offers personal essays in a comfortable style and easy tone that emulate the relationship of a wise project manager who gives good, entertaining and passionate advice to those who ask.

Making Things Happen: Mastering Project Management by ...

"Making Things Happen" is a project management book that breaks away from the usual mold. There is so much emphasis on a PMP certification that many project management titles have become dry recitations of the PMBOK. Not so with this book! The book is eminently readable, and the advice is well-grounded in real-world experience.

Making Things Happen : Mastering Project Management by ...

projects to come. Topics include: How to make things happen Making good decisions Specifications and requirements Ideas and what to do with them How not to annoy people Leadership and trust The truth about making dates What to do when things go wrong. The Art of Project Management
