Makita created the 18V Lithium-Ion cordless tool category in 2005, and today it is the world's largest 18V cordless tool line-up. Makita's leading technology gives tool users unmatched performance and breadth of line, with innovation in motor and battery technology that is obliterating industry standards – and leaving old thinking behind.

Makita User Manuals Download - ManualsLib
Of course, the true test of a powerful pairing is whether they stand the test of time, whether they have the legacy effect. We'll leave you to judge for yourself whether Makita's LXT202 18v cordless 2 piece kit will, but with Makita's reputation in the professional power tool market, we think the odds may just be stacked in their favour.
