**MANIFESTIC - Anonymous
Souls (Official Video)**
Anonymous has no leaders, no gurus, no ideologists. In fact, it does not even have a fixed ideology. All we are is people who travel a short distance together -- much like commuters who meet in a bus or tram: For a brief period of time we have the same route, share a common goal, purpose or dislike.

Considered a cornerstone of hacker culture, the Manifesto acts as a guideline to hackers across the globe, especially those new to the field. It serves as an ethical foundation for hacking, and asserts that there is a point to hacking that supersedes selfish desires to exploit or harm other people, and that technology should be used to expand our horizons and try to keep the world free .
