This new breed of 737 was formally  
launched in 1980. Wilco is simulating  
the "classic" versions of the 737. As of  
the date of writing this review there are  
currently no other payware "classic"  
737s available for FSX, so it is Wilco  
or nothing. I am an avid 737 fan and  
so I was looking forward to this  
release.
