I'm trying to connect my Sony Bravia TV to my Windows 10 laptop as a wireless second screen. At first the TV wasn't appearing at all when I searched for wireless displays. I changed the settings under "Projecting to this PC" to be available everywhere, and to work when not plugged into a power source.

**Rated 5 out of 5 by John O from One of the best flat mount brackets around. I needed a good flat mount tv bracket to hang a 56" curved Sony Bravia tv including soundbar. This was ideal. Fixing was easy, although I had to buy longer wall anchor bolts as the depth required to fix into the brickwork was deeper than supplied.**
