communism | Definition, History, Varieties, & Facts ...

Three common Maoist values are revolutionary populism, pragmatism, and dialectics. [63] Marxism–Leninism is an empty term that depends on the approach and basis of ruling Communist parties, and is dynamic and open to re-definitions, being both fixed and not fixed in meaning. [64]

Maoist Economics Revolutionary Road Communism

communism, political and economic doctrine that aims to replace private property and a profit-based economy with public ownership and communal control of at least the major means of production (e.g., mines, mills, and factories) and the natural resources of a society. Communism is thus a form of socialism—a higher and more advanced form, according to its advocates. Exactly how communism ...
