Engine choking belt dust - Many v-belts contain abrasive materials such as Kevlar or Aramid fibers. When these abrasive fibers are turned into belt dust it can actually cause damage to engines. When these abrasive fibers are turned into belt dust it can actually cause damage to engines.

Engine Belts - Seaboard Marine

Re: Marine vs Auto belts After I bought a new Mercruiser belt, I took it to the auto parts store and had them match it up. I bought a set of auto belts for 1/4 of the MerCruiser cost and kept them as spares. I noted the gates number and always bought that belt afterward. As the motor pullys get rusted, they will tear up the belts.
