Integration is at the core of healthy brain functioning, and healthy relationships. In an integrated state, the social engagement system of our brains is turned on and we are available for connection.

I'm Alive

Frank Sinatra had many close relationships throughout his life. He was married four times and had at least six other notable relationships in between. He had three verified children, as well as many

than one of questionable relationship.

Personal life of Frank Sinatra - Wikipedia

The entirety of The Diary of Anne Frank is written during the time when Anne's life was in constant danger. What's amazing, though, is that she doesn't dwell on this fact. It comes up, of course, but for the most part all of the members of the Secret Annex live their lives as normally as possible while hiding.
