Read Book Mastering Camera Aperture Digital Photography Tips And Tricks For Beginners On How To Control Depth Of Field

After using a Nikon film camera for more years than I care to remember, I entered the world of digital photography when I won a raffle for a sweet little Sony “ point and shoot ” style of camera. It was a nice little camera, but after having total control of aperture, shutter speed and focus on the old Nikon F2 Photomic, the new “ does it all for you ” Sony just wasn ’ t my cup of tea.
