Math 4 Teaching Textbooks Workbook

The Math 4 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).

Teaching Textbooks

Teaching Textbooks allowed up to keep up with our math, even while we were in the middle of moving chaos because it was easy to access even when things were all in boxes. They were able to do it anywhere we had internet access and I was able to see exactly the places in their work that they were struggling with so that we could review them more.

Amazon.com: teaching textbooks math 4

Teaching Textbooks is a full-year math curriculum that includes a consumable workbook, an answer booklet, and four CDs with step-by-step audiovisual instruction — plus a digital gradebook that instantly grades answers and calculates scores for each assignment. Teaching Textbooks helped alleviate math stress.

Teaching Textbooks Math Curriulum Review — See Jamie blog

I absolutely love this book because it breaks the problems down, taking it one step at a time. There is also a bit of a review in every lesson so my son doesn't get the opportunity to forget the things he has learned in previous lessons. I am so impressed that I am going to purchase the Teaching Textbooks Math 4 for my younger son.

Teaching Textbooks Math 4 Workbook - Sonlight Curriculum

I have 4 kids and they have all used Teaching Textbooks. I never thought I would hear them say "Math was enjoyable" but with TT, that is exactly what they say. Not to mention they are all A students! My children and I enjoyed every aspect of the Algebra lessons. I have recommended Teaching Textbooks to so many others. What an amazing product ...
