List of issues PRIMUS - Taylor & Francis

Math journals are a great way to reinforce and review math concepts in a creative way. Once your students get used to the process, they can be done in just a few minutes. I had this 15-minute slot of time each day - during this 15 minutes my students would color their behavior day, pack up their backpack, and complete their math journal - we were MOVIN ' !!

Everything You Need to Know About Math Journals

I love the idea of Math Journaling and Notebooking. There is something to be said for recording what you ' ve learned in your own words to be referenced later. What a great study tool that could be! This summer I saw some great ideas about taking a composition book and getting it cut in half at Home Depot to use for math journals.

Math Lesson Google Slides and PowerPoint Template

Math journals, or problem solving notebooks as they are sometimes referred to, are books in which students are often asked to record their strategy and thought processes, as well as solutions. While students learn how to "do" math, they must also learn how to articulate what they are learning.
