Ebooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading.

solving equations maze answer key Archives ? Algebra 1 Coach

After the vocabulary section, I started with the five properties of parallelograms. I pulled out my whiteboards and had students make 3 columns (Property, Picture, and how to solve). This turned out better than expected because all of my students referenced their whiteboards throughout the entire class.
