What is Brigance Testing? Brigance is a screening tool widely used by schools for students in Pre-Kindergarten, Kindergarten and First Grade. The test is not an IQ test nor is it a full scale educational assessment - it is a norm referenced test that compares each child's results with the performance of other examinees. Brigance Testing covers a variety of school based curriculum topics ...

Why SpringBoard? - SpringBoard | College Board

If the average subway car seats 1,000 people, with 1 window per 2 seats, that's 500 windows per car. A little more math: I'd guess there are at least enough subway cars to support the whole population of New York: so 10 million divided by 1,000 comes out to 10,000. So there are another 5 million windows for subway cars.
